

# *Groton Bank Historical Association*

*presents*

## **The Blue Heritage Trail**

**Sunday, February 2nd at 2:00 pm**

**at the Groton Congregational Church  
162 Monument Street**

Come and find out about the Blue Heritage Trail Project's plans to raise public awareness of our maritime area through walking, car and boat tours and quests, augmented by physical signage and virtual content.

*Speakers from the Blue Heritage Trail Project Team:*

Nat Trumbull, Associate Professor of Geography, UConn Avery Point

Syma Ebbin, Associate Professor in Residence, UConn Avery Point

Colleen Franks, Research Specialist for the Geography Department

*GBHA events are free and open to the public.  
Come a half hour early and enjoy refreshments.*
